ARMA International Web Seminar

&

Monthly Speaker Presentation

- #1: "Challenges & Solutions for Messaging Technologies: A Legal Perspective," Web Seminar Lead by John Montaña, one of the foremost Attorneys and expert on information management and records retention law in the country. He has developed records retention schedules and information management policies for many of the foremost companies in the United States. He is also a much sought-after speaker at seminars and conferences.
- #2: "Using Google behind your firewall" speaker presentation Presented by Dave Goebel, President & CEO of Goebel Group, Inc.
- Time: 12:30-1:00 p.m.- Registration/Networking/Lunch  
1:00-2:30 p.m. \*Web Seminar  
2:30-3:00 p.m.- Break/Registration  
3:00- 4:00 p.m. \*Speaker presentation
- Where: Concourse Airport Hotel/ Conference Center  
4300 International Gateway, Columbus Ohio
- Why: The Web seminar will cover legal issues surrounding e-mail and related technologies that have become standard business tools throughout the world. Many businesses, industries, governments, and non-business entities depend on these tools - and often are highly reliant on them - for the efficient, profitable transaction of business.
- The speaker presentation will address finding, indexing, and managing information to help employees, partners, and customers to be more productive. We will look at procedures and tools to assist users with finding relevant unstructured information quickly.
- Cost: Members: \$10 for one session and \$18 for both sessions  
Guests/non-members: \$15 for one session and \$22 for both sessions
- R.S.V. P. Save your seat today... Contact Jim Tullis at 614-486-2423 or [jtullis@centralbusinessgroup.com](mailto:jtullis@centralbusinessgroup.com) by Tuesday, March 16<sup>th</sup>, 2004
