

March 2007 Chapter Meeting

Greetings!

Did you notice that your Outlook Calendar changed the meeting times for your scheduled meetings after March 11th? Daylight Savings Time begins on March 11th this year. It's causing DST-glitches in computer systems.

The March meeting will feature Charles Arp from Battelle. His topic is Managing Electronic Records Using an Enterprise Content Management Application.

Jim Fielden, ARMA Columbus Chapter Web Director, has been working on the meeting and seminar registration features on the website. You are now able to pay for your meeting fees and seminar registrations online via PayPal. Thank you Jim for all your work with this project.
